"Our approach is informal and welcoming and we have a stepped approach to participation in club life. For example the first two sessions are free, then there is a modest charge for the next four sessions."

"We are a Junior club so our focus is on excitement, fun and participation."

"Large PI membership and their values are highly regarded and always considered in any decision making."

"We are in regular dialogue with local iwi to promote a partnership with them for health and education outside of sport participation."
