DIVERSITY THINK TANK: LEADING CHANGE WITHIN SPORT

Join AUT, Wavelink International and event partners to have a robust discussion, including the following:

- What can sport organisations do to understand and leverage the changes in Auckland's population for sustainable sport participation?
- What does New Zealand sport look like to new migrants?
- How might collective action be beneficial to a way forward?

Featuring:

Three case studies with workshops from New Zealand Rugby, Auckland Basketball and Auckland Cricket.
